"Book Of Love"

Leave today, on a big holiday
Change your mind and take your time, baby, it's okay
Sing and dance, make a little romance
The world is in your hands if you take a chance
You're into indecision, you can't deny
You're into heaven on earth
And I can't write the book of love
And I can't write the book of love
Anyway, you'll never catch me walking away
My love's never never ever gonna have to stray
Good love grows, everybody knows
Our love grows, everybody knows, cos we let it show
You're into indecision...
