"I Wanna Be Like Elvis P"

he was born near Memphis Tennessee
I come from a small town in South Germany
he played some Rock'n'Roll and that's all he did
he soon got famous and what about me

Girls, drugs and Teddy-bears, I like it so bad
makin' music on a stage, I like it so bad
screamin' Girls and Dancing Queens, I like it so bad
bras and slips at my feet, I like it so bad

I went to the army, just because of you
I made my hips swinging, just because of you
I got a hough hair tuft, just because of you
I snuffed some white powder, just because of you

I wanna be like Elvis P.
