Tell me you love me  
Tell me that you're mine again  
Tell me you won't turn away  
Turn like the seasons  
Turn back to me once again  
Circling all the way

Once you were my blue eyed prince  
Waking love from an endless sleep  
You made all of my wishes come true  
Turning all of my dreams into you

Turning and swirling and whirling 'round you again  
Twirling and curling 'round you  
Turning and burning and yearning for you again  
All my life with you

But lately I'm losing sleep  
Someone else is in your eyes  
Won't you turn back to me my love  
Won't you stop telling me lies

Turning and swirling and whirling 'round me again  
Twirling and curling 'round me  
Turning and burning and yearning for me again  
All my life with you

It is a chance, a romance  
It's a dance we do

Turning in circles we go  
Turn like the seasons  
Turn back to me once again  
Never let me go

Tell me you love me  
Tell me that you're mine again  
Tell me you won't turn away  
Turn like the seasons  
Turn back to me once again  
Circling all the way

Turning and swirling and whirling 'round you again  
Twirling and curling 'round you  
Turning and burning and yearning for you again  
All my life with you

Turning and swirling and whirling 'round me again  
Twirling and curling 'round me  
Turning and burning and yearning for me again  
All my life with you
