[Will Smith]

Ladies and gentlemen

Thank you very much for comin out this evening

Yeah, thank you thank you

Please, take the dancefloor, uh

I would like to welcome you, to the Switch, remix

Now all you got to do is let your body move

And just - woo!

[Verse One: Will Smith]

Vibe to vibe a second

This a club girl, why you arrived naked?

Hear that, how the veteran glide the record

But don't download, go out and buy the record

Switch - uhh, somethin sexy 'bout her

Girl on the floor, all her friends around her

I mean real clean, ain't gotta touch or nuttin

It ain't like I like a chick on chick or sum'n

I'm just a sucker for a hot track

Gimme a drink and a chick to tell "Stop that"

Dance is a hop then a clap, flip it 'round

Now bring it on back, break it down - now switch

[Chorus: Robin Thicke]

I don't want nobody sittin on the wall

If you didn't come to dance then why'd you come at all

Here's your chance (here's your chance) take my hand

(take my hand)

Do that dance, girl, now switch

[Verse Two: Will Smith]

Uh - I got a question, I need to ask somebody

Why is it that when y'all see me at the party

Y'all be looking like "Ooh, he a movie star"

He ain't supposed to be out on the floor with e'rybody"

But oh wait, whoa y'all forgettin

When I was, amateur spittin before the scripts were written

First one in, last one out the club

Burstin in, passin out in the club

Back at it, this cat is the wit and the charm

Taking you higher like a syringe hittin ya arm
Bringing the fire, making you binge, ring the alarm
Let me see you clap and spin, baby come on - switch!

[Chorus]

[Robin Thicke] + (Will Smith)
I don't want to see you standin
When you look as fine as you (to the left one time girl)
I don't want to see you standin
When you look as fine as you (yo, to the back one time girl)
I don't want to see you standin
When you looks as fine as you (to the right one time girl)
I don't want to see you standin, girl
Look so fine as you (slide it up front, slide it up front)
{left, right, East, West, up, down, North, South} (Robin Thicke)
{left, right, East, West, up, down, North, South} (Big Will, yo)
Look so fine as you babe

[Verse Three: Will Smith]
Keep switchin whether you in your car or your kitchen
Switchin hittin like it's a brand new dancin religion
Chance collision with Robin Thicke advancin my mission
Dance envisioned by my man All Money, keep switchin

[Chorus] - repeat 2X w/ ad libs

[Will Smith]
Ha ha, Big Will
Thank y'all very much for comin out this evenin
The love that I feel, in this room, is beyond, compare
