words cannot express  
the moments spent with you  
deep within my heart i'll cherish this day  
walking hand in hand with you  
i feel like im floating away

and as the days go by  
my feeling progress and  
i can't help myself 'cause  
i just can't stop thinking about you

remember this day in the light  
of you and i she said  
i'll always have my door open for you

remember this day in the light  
of you and i she said  
i'll always have a  
place in my heart for you  
if things don't go our way  
will we still be friends?  
im hoping and praying  
this wont be the end

and as the days go by  
my feeling progress and  
i can't help myself 'cause  
i just can't stop thinking about you

remember this day in the light  
of you and i she said  
i'll always have my door open for you

remember this day in the light  
of you and i she said  
i'll always have a  
place in my heart for you

for you, just for you.
