getting older day by day
lets live our lives thats all i've got to say
lets stay young as long as we can
lets party hard
lets start a punk rock band
hanging at the beach
staying out not getting home till 3
don't have a job mum cleans my room
lifes a bludge doesn't seem very hard

why am i growing up? 15 i want to be out
turn up the bass come sing this song
i'm not gonna be here very long

i wanna stay young, i'm not growing up
i wanna stay young i'm not growing up
i wanna stay young, i'm not growing up
i wanna stay young i'm not growing up
im not growing up

what happened to those days?
what happened to having fun?

you'll be my friends till the end
never realised how much fun we had
i'm older now i drive a car
i've left home i have a job
got married the other day
didn't know about the price i paid

when did i start growing up?
15 i wanna be out
turn up the bass come sing my song
i'm not gonna be here very long

i wanna stay young, i'm not growing up
i wanna stay young i'm not growing up
i wanna stay young, i'm not growing up
i wanna stay young i'm not growing up
go
i wanna stay young, i'm not growing up
i wanna stay young i'm not growing up

i wanna stay young, i'm not growing up
i wanna stay young i'm not growing up
