Ohhh yeah...Mmmmmmh
Eyes (eyes) like a sunrise,
Like a rain fall down ...my soul,
And I wonder.. I wonder why you look at me like that,
what you're thinking.... whats behind.
Don't tell me but it feels... like (like).... love.
I'm gonna take this moment, and make it last forever,
im gonna give my heart away and pray we'll stay
together,
'Cos ur the one good reason, you're the only girl that I
need, cos you're more beautiful than I have ever seen.
Ohh yeh,
I'm gonna take this night and make it Evergreen,
We can make it last forever more.
(Don't tell me but it) feels like love
(I'm gonna) Take this moment make it last forever,
I'm gonna give my heart away and pray we'll stay
together,
'Cos ur the one good reason,
You're the only girl that I ever need,
'Cos you're more beautiful... beautiful... beautiful
(Take this moment) Yeh make it last forever..I'm gonna
give my heart away and pray we'll stay together,
Just give me one good reason, you're the only girl that I
need, cos ur more beautiful than I have ever seen...
oh yeh,
I'm gonna take this night and make it Evergreen
And make it Evergreen.
