A fool never learns

To get away, just run away before his heart begins to break

A fool never learns

He'll wait around, just hang around to see how much his heart can take

A fool never learns

To some girls love is just a game

And some girls treat all fool the same

A fool never learns

And I'm gonna do a very foolish thing

I'm gonna stick by you

I'm a'gonna hang around, wait around

Hope she'll love me again some day

They say a broken heart don't mark the end of time

That there are lotsa girls who'd love to be just mine

But I don't believe that I could fall in love again

'cause I just can't remove the pain

A fool never learns

And I'm gonna do a very foolish thing

I'm gonna stick by you

I'm a'gonna hang around, wait around

Hope she'll love me again some day

They say a broken heart don't mark the end of time

That there are lotsa girls who'd love to be just mine

But I don't believe that I could fall in love again

'cause I just can't remove the pain

A fool never learns

And I'm gonna do a very foolish thing

And I'm gonna do a very foolish thing

And I'm gonna do a very foolish thing
