You're just too good to be true  
Can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you  
Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak  
And if you feel like I feel  
Please let me know that it's real  
You're just too good to be true  
Can't take my eyes off you
