Dear heart wish you were here to warm this night

My dear heart, seems like a year since you've been out  
of my sight

A single room, a table for one

It's a lonesome town all right

But soon I'll kiss you hello at our front door

And dear heart I want you to know

I'll leave your arms never more

(A single room, a table for one)

It's a lonesome town all right

But soon I'll kiss you hello at our front door

And dear heart I want you to know

I'll leave your arms never more
