If I could hold you in the arms of love tonight

I'd never let you go

As the hours go by I'd show you why we've waited for
this

As two lovers whisper low

If I could feel that magic kiss your lips invite

Imagine the joys I'd know

The day has died away, let's find a hideaway

And share the promise of a new tomorrow

In the arms of love tonight

The day has died away, let's find a hideaway

And share the promise of a new tomorrow

In the arms of love tonight

Hmm, hmm, hmm, hmm Hmm, hmm, hmm, hmm
