The boys watch the girls while the girls watch the boys
who watch the girls go by

Eye to eye

They solemnly convene to make the scene

Which is the name of the game

Watch the guy watch the dame

On any street in town

Up and down

And over and across

Romance is boss

Guy's talk

Girl talk

It happens everywhere

Eyes watch

Girls walk

With tender loving care

It's keeping track of the pack

Watching them watching back

That makes the world go round

What's that sound?

Each time you hear a loud collective sigh

Their making music to watch girls by

Guy's talk

Girl talk

It happens everywhere

Eyes watch

Girls walk

With tender loving care

It's keeping track of the pack

Watching them watching back

That makes the world go round

What's that sound?

Each time you hear a loud collective sigh

Their making music to watch girls by

The boys watch the girls while the girl's watch the boys
who watch the girls go by

Eye to eye

They solemnly convene to make the scene

La la la la la la la la la la la la la la la la la la la

La la la la la la la la la la la la la la la la la la la
