A Song For You

Andy Williams

Words and Music by Leon Russell

(peak Billboard position # 82 in 1971)

I've been so many places in my life and time

I've sung a lot of songs, I've made some bad rhyme

I've acted out my love in stages

With ten thousand people watching

But we're alone now and I'm singin' this song for you

I know your image of me is what I hope to be

I've treated you unkindly but baby can't you see (baby  
can't you see now)

There's no one more important to me (baby)

Baby can't you please see through me

'cause we're alone now and I'm singin' this song for  
you

You taught me precious secrets of the truth, withholdin'  
nothin'

You came out in front and I was hiding

But now I'm so much better and if my words don't come  
together

Listen to the melody (listen to the melody) cause my  
love's in there hiding

I love you in a place where there's no space or time

I love you for my life, you are a friend of mine (you are  
a friend of mine)

And when my life is over, remember when we were  
together

We were alone and I was singin' this song for you

We were alone and I was singin' this song for you

We were alone and I was singin' this song, singin' this  
song for you
