"Twilight Time"

Heavenly shades of night are falling, it's twilight time

Out of the mist your voice is calling, it's twilight time

When purple-colored curtains mark the end of day

I'll hear you, my dear, at twilight time

Deepening shadows gather splendor as day is done

Fingers of night will soon surrender the setting sun

I count the moments darling till you're here with me

Together at last at twilight time

Here in the afterglow of day

We keep our rendezvous beneath the blue

Here in the same and sweet old way

I fall in love again as I did then

Deep in the dark your kiss will thrill me like days of old

Lighting the spark of love that fills me with dreams
untold

Each day I pray for evening just to be with you

Together at last at twilight time
