Walk hand in hand with me through all eternity

Have faith, believe in me, give me your hand

Love is a symphony of perfect harmony

When lovers such as we walk hand in hand

Be not afraid, for I am with you all the while

So lift your head up high and look toward the sky

Walk hand in hand with me, this is our destiny

No greater love could be, walk hand in hand

Walk with me

Be not afraid, for I am with you all the while

So lift your head up high and look up to the sky

Walk hand in hand with me, this is our destiny

No greater love could be, walk hand in hand

Walk with me
