"Where Or When"

It seems we stood and talked like this before

We looked at each other in the same way then

But I can't remember where or when

The clothes you're wearing are the clothes you wore

The smile you are smiling you were smiling then

But I can't remember where or when

Some things that happened for the first time

Seem to be happening again

And so it seems that we have met before

And laughed before, and loved before

But who knows where or when
