There's no cause to think that I won't stay  
Haven't I been with you all the way  
There's no time like now to make amends  
'Cause after all, we're more than friends.

This could be the time for you and me  
We could go wherever we should be  
So don't put words between us we shouldn't say  
And don't be acting halfway when you know we're all  
the way.

There are times when I don't see the light  
And I don't know if what I do is right,  
But if I'm wrong, it's never meant for you  
So don't confuse my love with what I do.

(Chorus)
