Loose lips on ships
I'm getting to grips
With what you said
Know it's not in my head
I lay on bed
That I'm okay

Why don't we talk about it
Why do you always doubt that there could be a better
way
It doesn't make me want to stay
Why don't we break up
There's nothing left to say
I got my eye shirt praying they won't stray
Oh! When I sexed up
That's what makes the difference today
I hope you blow away

You said we're fatally flopped
When I'm easily bored
Is that okay?
Strike me off your list
Made this the last kiss
I'll walk away

Why don't we talk about it
I'm only here Don't shout it
Given time we'll forget
Let's pretend we never meet
Chorus

Screw you I didn't like your taste
Anyway, I chose you
Let's all gone to wasted Saturday
I'll go out and find another you

Why don't we
Why don't we break up
There's nothing left to say
I got my eye shirt praying they won't stray
Oh! When I sexed up

That's what makes the difference today
