Crunchy base, nutty base
I like the buttery biscuit base
Acid base, smack around the face
I like the buttery biscuit base
Hard base, soft base,
I like the buttery biscuit base
I like the buttery base, I like the buttery base
But it needs more oomph

That base that base that base, oopmh
That toasty nutty base
That biscuit base base, that base base
That toasty base, that base
That rubbery base, slimy base
That base base base base base underneath

That toasty nutty base

I like the base base base base
I like the buttery biscuit base
I like the base base biscuit base
I like the buttery biscuit base
I like the base, I like the buttery base
