What if I told you it was all meant to be
Would you believe me, would you agree
It's almost that feeling, we've met before
So tell me that you don't think I'm crazy
When I tell you, love has come here and now

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this

Everything changes but beauty remains
Something so tender, I can't explain
Well I may be dreaming, but till I awake
Can't we make this dream last forever
And I'll cherish all the love we share

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this

Could this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this
Some people wait a lifetime
For a moment like this

Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this

Moment like this
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this
Oh
