--

Showbiz dinners and the free champagne  
Men in suits who think they know it all  
No one knows me but they know my name  
That's not real to me

When I see my babies run  
When all the madness has been and gone  
I'll raise my family and live in peace  
Now that's what's real to me

When, when I see my babies run  
When all the madness has been and gone  
I'll raise my family and live in peace  
Now that's what's real to me  
Real to me
