Soft blue beautiful eyes
You're an angel, it's no surprise
That every man stares
When you float in with your chocolate hair

4.0
My goodness girl
You can have any boy in this whole world

Don't waste your pretty blue eyes
Don't waste your pretty soft skin
Don't waste your pretty smile, your every kiss, your
innocence
Don't waste your pretty on him

I've seen that boy around
Breakin hearts all over town
It's not my place to tell
But to see you with him hurts like hell

I don't know you but I know
That his love is only gonna leave you cold

Don't waste your pretty blue eyes
Don't waste your pretty soft skin
Don't waste your pretty smile, your every kiss, your
innocence
Don't waste your pretty on him

Every wasted minute is a minute that you can't get back
So laugh and love and live it
Baby All I ask...Is

Don't waste your pretty blue eyes
Don't waste your pretty soft skin
Don't waste your pretty smile, your every kiss, your
innocence
Don't waste your pretty on him

Don't waste your pretty blue eyes
Don't waste your pretty soft skin

Don't waste your pretty smile, your every kiss, your
innocence
Don't waste your pretty on him
