All I am, all I'll be
Everything in this world
All that I'll ever need
Is in your eyes, shinin' at me
When you smile I can feel
All my passion unfolding
Your hair brushes mine
And a thousand sensations
Seduce me cause I
I do, cherish you
For the rest of my life
You don't have to think twice
I will, love you still
From the depths of my soul
It's beyond my control
I've waited so long to say this to you
If you're asking do I love you this much
I do
In my world before you
I lived outside my emotions
I didn't know where I was goin'
Till that day I found you
How you opened my life to a new paradise
In a world torn by change
Still with all my heart
Till my dyin' day
I do, cherish you
For the rest of my life
You don't have to think twice
I will, love you still
From the depths of my soul
It's beyond my control
I've waited so long to say this to you
If you're asking do I love you this much
Yes I do
If you're askin' do I love you this much
I do
Oh I do
