I don't know you but I want you all the more for that  
Words fall through me and always fool me  
And I can't react  
And games that never amount  
To more than they're meant will play themselves out  
Oh

Take this sinking boat and point it home  
We've still got time  
Raise your hopeful voice  
You have a choice  
You've made it now

Falling slowly  
Eyes that know me  
And I can't go back  
Moods that take me and erase me  
And I'm painted black  
Well you have suffered enough and warred with  
yourself  
It's time that you won

Take this sinking boat and point it home  
We've still got time  
Raise your hopeful voice  
You have a choice  
You've made it now

Falling slowly  
Sing your melody  
I'll sing along  
Oh  
La da da da  
Oh

But you're gone  
I paid the cost too late  
Now you're gone
