"Leave"

"I can't wait forever," is all that you said before you
stood up
And you won't disappoint me
I can do that myself but I'm glad that you've come

Now if you don't mind leave
Leave and free yourself at the same time
Leave
Leave
I don't understand
You've already gone

And I hope you feel better now that it's out
What took you so long
And the truth has a habit of falling out of your mouth
But now that it's come

If you don't mind leave
Leave and please yourself at the same time
Leave
Leave
Let go of my hand
You said what you have to

Now leave
Leave
Let go of my hand
You said what you came to

Now leave
Leave

Oh
Oh
Leave
Leave
Let go of my hand
You said what you have to

Now leave
Leave

Da da da
Da da da da
Da da da da
Da da da da

Oh

Da da da da
La da da da
La da da

Da da da da
La da da da
La da da da
Oh

La da da da
La da da
