Are you sleeping  
Still dreaming  
Still drifting off alone  
I'm not leaving with this feeling so you'd better best be  
told  
And how in the world did you come to be such a lazy  
love  
Oh

It's so simple and fitting  
The path that you are on  
We're not talking  
There's no secrets  
There's just a note that you have gone  
And all that you've ever owned is packed in the hall to  
go  
Oh

And how am I supposed to live without you  
A wrong word said in anger and you were gone

I'm not listening for signals  
It's all dust now on the shelf  
Are you still working  
Still counting  
Still buried in yourself  
And how in the world did we come to have such an  
absent love  
Oh

And how am I supposed to live without you  
A wrong word said in anger and you were gone  
And how am I supposed to live without anyone  
Oh  
Oh

Oh  
Da da da  
Oh  
Oh

Oh  
Oh  
Da da da  
Oh

And how in the world did you come to be such a lazy  
love  
And where did you go
