Mrs. Lovett: "It's not much of a chair, but it'll do. It was me poor Albert's chair. Sit in it all day long, he did, after his leg give out with gout."

Sweeney Todd: "Why doesn't the Beadle come? 'Before the week is out,' - that's what he said."

Mrs. Lovett: "Well, who says the week's out? It's only Tuesday."

Easy now  
Hush, love, hush  
Don't distress yourself  
What's your rush?  
Keep your thoughts  
Nice and lush  
Wait

Hush, love, hush  
Think it through  
Once it bubbles  
Then what's to do?  
Watch it close  
Let it brew  
Wait

I been thinking flowers--  
Maybe daisies--  
To brighten up the room  
Don't you think some flowers  
Pretty daisies  
Might relieve the gloom?

Ah, wait  
Love, wait

Sweeney Todd: "And the Judge? When will we get to him?"

Mrs. Lovett: "Can't you think of nothin' else? Always  
broodin'  
away on yer wrongs what happened heaven knows  
how many years ago--"

Slow, love, slow  
Time's so fast  
Now goes quickly--  
See, now it's past!  
Soon will come  
Soon will last  
Wait

Don't you know  
Silly man  
Half the fun is to  
Plan the plan?  
All good things come to  
Those who can  
Wait

Gillyflowers, maybe  
'Stead of daisiesâ€  
I don't know, thoughâ€  
What do you think?
