code Well.....

You make me wanna shout  
Throw my head back and shout  
Throw my hands up and shout  
Kick my heels up and shout  
Come on now.

Don't forget to say you will  
Don't forget to shout  
yeah yeah yeah yeah yeah

Say you will, (throw your head back)  
Say you will, (Come on now , come on now)  
Say you will, (throw your head back)  
whooh  
Say you will, (Come on now)

(Say) Say that you love me.  
(Say) Say that you need me  
(Say) Say that you want me.  
(Say) You'll never leave me  
(say) oh come now  
(say) oh come now  
(say) oh come now

I still remember  
when i used to be nine years old.  
yea yea  
How i was a fool for you,  
From the bottom of my soul.  
yea yea now  
Now that I found you  
I'm never gonna let you go  
And if you ever leave me whoo  
You know its gonna hurt me soo  
I said i want you to know right now  
You have been good to me baby  
Better than i've been to myself  
yeah yeah  
And if you ever leave me.  
I don't want nobody else

yeah yeah  
Because i want you to know  
I want you to know right now.

You make me wanna shout
