Charlie's Mother:

You get blue like everyone,

But me and Grandpa Joe

Can make you troubles go away,

Blow away, there they go...

Cheer Up Charlie

Give me a smile,

What happened to the smile I used to know

Don't you know your grin has always been my sunshine;

Let that sunshine show...

Come on Charlie,

No need to frown,

Deep down you know the world is still your toy...

When the days get heavy

Never pitter patter

Up and attum boy.

Someday, sweet as a song,

Charhe's lucky day will come along,

Till that day,

You've got to stay strong Charlie,

Up on top is right where you belong.

Look up Charlie,
You'll see a star,
Just follow it and keep your dreams in view.
Pretty soon the sky is going to clear up Charlie,
Cheer up Charlie do,
Cheer up Charlie,
Just be glad you're you
