She is very nice and her name is Katie
Although she can sometimes be a bit loud
It almost always ends up a nice sound
Her hair is brown, her hair is straight
Her eyes are round and her smile is great, yeah
Her smile is great yeah
Katie I hope you feel better real soon
'Cause a close friend is very hard to lose
We might be heading into hard times
But if you'd like I'll help you get by
She is very sweet and so very kind
The kind of girl I would want to be mine
Katie is a girl I like to be with
I can't wait until the first time we kiss
Katie I hope you feel better real soon
'Cause a close friend is very had to lose
But remember you have a lot of friends out there
There's always me and that kid with red hair!!!!
