Stand up  
Wanna take flight  
Create the sky before you  
Give up resistance  
'Cause nothing will be missing when you  
Let go of your past

This time I'm gonna open up to something new  
Goodbye to memories that won't be there to catch you  
When you fall down

Take this dream  
Fly away with me and learn to live so free  
Take this dream  
And learn to live your life  
Learn to live so free  
Learn to live so free

Stand up  
Wanna take flight  
Create the sky before you  
Give up resistance  
'Cause nothing will be missing when you  
Let go of your past

Take this dream  
Fly away with me and learn to live so free  
Learn to live so free  
Take this dream  
And learn to live your life  
Learn to live so free

Flying high the sky's wide open  
Lift your eyes to possibility  
You'll see  
You'll see

Learn to live so free  
Live so free  
Learn to live so free  
Live so free

Learn to live so free  
Free

Take this dream and spread your wings  
Come fly with me  
Take this dream  
Come with me and learn to live so free  
[x3]  
Live so free
