Tonight I'll drive home all alone

And maybe later we'll talk on the phone

But it takes a little more to get me through

If we can't get together here's what we'll do

Hold on

And meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight

I've been waitin' all day

Now I won't let nothin' stand in my way

'Cause I just can't wait to see your face

At the usual time and the usual place

Hold on

And meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight

Oh lullabye (bye) baby (bye)

Goodnight (bye) baby (bye)

Oh lullabye (bye) baby (bye)

Goodnight (bye) baby (bye)  
La-hullabye (bye) baby (bye)  
Goodnight (bye) baby (bye)  
Gotta get together gotta really try  
There's a wonderland waitin' for you an I  
Hold on hold on  
Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight  
Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight  
Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light  
Meet me in my dreams tonight  
Meet me in my dreams tonight  
Baby close your eyes and hold on tight  
Sleep in my arms until the mornin' light
