We got static in the front and there's panic in the back
If you challenge me again then my pen will attack
Cadillacs multiply 10,000 when we ride correct
You when you're wrong get gone now say goodbye
You see I'm still on top this is my spot to rock
And this shit won't stop
Don't bother checking the clock
Give me a few ticks and I'll drop the tock
While Skinny's got my back like Capt. Kirk got Mr.
Spock's
Block to block rockin' shame shame if you're jockin'
And I'll drop a playa hater if I catch him cockblockin'
This game can't be contained I'll maintain my reign
While you strain to hang still my style remains
I got leather interior white wall exterior
A Cadillac as big as an aircraft carrier breaking down
barriers
Shaking your driers Cadillac killers tell me what could
be
Scariest Skinny's on the mix and these Trix aren't for
kids
So phatten up the kicks and pull back the mids
Let's wax attack trax I'm back to mack
That I got game and about fame yeah I've been known
to attract

That Cadillacs pimp a playa tha mack the mayor
Funky rhyme sayer make you want to say yeah
So dis this or dismiss this have a very merry Christmas
Nigga I don't give a shit you see that's never been my
business
I'm a pimp a playa the mack the mayor funky rhyme
sayer
Make you want to say yeah he's a pimp a player
Don't give a shit see he don't care he's a pimp a player
So all you tricks should beware he's a pimp rollin' with
my road dogs
We broke and rewrote laws once
You hear my flow then you'll know where you stole
yours
Read it in the papers take it to the bank
I'm a Cadillac so you better be a tank

I sank your battleship so whatcha gonna do
You can't hide because you've got no place to run to
Who knew I knew you're thru
What's new over the cuckoo's nest once blessed
One flew back in fact I never left the attack
Just paused with the cause kicked back and cold
macked
Like a like a true player funky funk rhyme sayer
Bandwagon is the dragon and I'm the dragon slayer
