Change will do you good  
I always knew it would  
Sometimes I'm thinking that I love you  
But then I know it's only lust

Your kiss, so sweet  
Your sweat, so sour  
Your kiss, so sweet  
Your sweat, so sour

Sometimes I'm thinking that I love you  
But then I know it's only lust  
The sins of the flesh  
Are simply sins of lust

Sweat's running down your back  
Sweat's running down your neck  
Hot couplings in the sun  
(Or is that untrue?)

Colder couplings in the night  
(I never saw your body)

Your kiss so sweet  
Your sweat so sour  
Sometimes  
I'm thinking that I love you

But then I know its only lust  
Change will do you good  
I always knew it would

You know  
The change'll do ya good  
I always knew it would

Damaged goods  
(Oh, oh, oh)  
Send me back  
I can't work  
I can't achieve  
Send me back

Open the till  
Give me the change you said  
Would do me good  
Refund the cost

You said you're cheap  
But you're too much

Your sweat so sour  
Sometimes I'm thinking that I love you  
But I know it's only lust  
Change will do you good  
I always knew it would

You know  
The change'll do ya good  
You know  
The change'll do ya good

I'm kissing you goodbye  
I'm kissing you goodbye  
I'm kissing you goodbye  
I'm kissing you goodbye

Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye

Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye  
Goodbye, goodbye
