We've got to wail, we've got to wail  
Now is the time, that we must wail  
Now is the time, that we must wail

Start going around all over town  
Go tell your friend that we have soul  
Whole lot of soul, soul to give you  
Whole lot of soul, soul to give you  
Soul now

We are on the ball, we are on the ball  
Why don't you join us now? Why don't you join us now?  
We are riding high, we are riding high  
Give a listening ear to the sound of music  
Give a listening ear to the sound of music  
Music got soul, a whole lot of soul  
Music got soul, a whole lot of soul

Give it to me now, rock it to me now  
Sock it to me now, give it to me now
