You can call me Mr. Fix it!

If you're feeling lonely, cause your one and only Boy  
has found a girl and ran away

Just you reach for the phone, I'll be there at home  
My name is Fix it and I'll be there

If your heart's been chattered, the pieces are  
scattered, all across the ground of loneliness  
Just...

Love is not a bed of roses, and life not the simple  
game it seems  
If you've been mistreated by your lover, now darling  
come see me

And if you're feeling lonely, cause your one and only  
Boy has found a girl and ran away

Just...  
I'll be there !  
[Horns] they call me Mr. Fix it, yeah [Horns]

Love is not a bed of roses...  
And if your heart's been chattered...

I'll be there !  
[Horns] they call me Mr. Fix it, yeah [Horns]  
I can fix it anytime, call me Mr. Fix it  
Call me Mr. Fix it, oh yeah.
