I'm taking aim

The first time I met you
You stole my heart
The first time I met you
You stole my heart
The first time I met you
You stole my heart
The first time I met you
You stole my heart

My heart's beating
My hands are shaking
My hands are shaking
But I'm still shooting
I'm still getting the headshots
Just like boom headshot
Boom headshot
BOOM HEADSHOT!

Cupid's arrow
Found it's mark
Cupid's arrow
Found it's mark
Cupid's arrow
Found it's mark
Cupid's arrow
Found it's mark

Oh machinegun matchmaker
Thank you for this blessing
Thank you for illuminating the one
An arrow to the heart showed me the way
And gave me someone just as I needed them most

Love eternal
Love eternal
