It was like any another night
I climbed into my bed
Pulled back the sheets
And fell fast asleep

Visions of naked girls
With sparkling wings
Eyes gouged out and gutted
And that's when I realized

It was a nightmare
It was a nightmare
I couldn't wake up
It was a nightmare
I couldn't escape
Eternal nightmare
I couldn't wake up
Eternal nightmare
I couldn't escape
I couldn't escape
I couldn't escape
I couldn't escape

Won't somebody please wake me up
End this torment
End this trial
End this specter
End this horror
End my terror
Wake me up
