Can't shake this trend I've fallen into  
The light of hope on the horizon  
Beckoning me forward  
Away from the safety of the sands

The sun's rays warm my skin  
They warm my blood for when the sharks come  
Feast on my flesh  
The heart of a good man

They'll chew you up until there's nothing left

Bitch, please, would you kindly go drown yourself in  
the ocean?  
Bitch, please, would you kindly go drown yourself in  
the ocean?  
Bitch, please, would you kindly go drown yourself in  
the ocean?  
Bitch, please, would you kindly go drown yourself in  
the ocean?  
Bitch, please, would you kindly go drown yourself in  
the ocean?

Finally  
A sense of peace at last

Can't shake this trend I've fallen into  
The light of hope on the horizon  
Beckoning me forward  
Away from the safety of the sands

The sun's rays warm my skin  
They warm my blood for when the sharks come  
Feast on my flesh  
The heart of a good man

And we stood  
On that shore  
The waves lapping  
At our feet  
And we watched  
Our dreams

Drawn slowly  
Out to sea  
Azure abyss  
Deep and cold  
A blue casket  
Eternity home  
And like a black hole  
It devours everything  
It devours everything  
It devours everything  
It devours everything

Never to be seen again  
Never to be seen again  
Never seen again
