Wam-Bam-Thank you ma'am  
Your mother always tells you not to say damn  
She tells ya to eat your ham  
Wham-Bam-No way Ma'am  
F\*ck that ham, I will always say Damn!

Chorus:

I will give her a death drop, Make sure she is almost  
dead  
I will give her a death drop, make her fall on her head  
A death drop will kill her right then and there  
Mess with me and she'll have no hair!

RAAAAAAAAAHHHHHH!!!!

Do what ya want, that's what I always say  
Wam-Bam-Thank You Ma'am, never say that  
Drop the bitch on her head, tear out out all her hair  
Give her a death drop 'tll she is bare

I will give her a death drop, Make sure she is almost  
dead  
I will give her a death drop, make her fall on her head  
A death drop will kill her right then and there  
Mess with me and she'll have no hair!

Say what you want, i do to  
Wam-Bam-Do it right now  
Damn the bitch, damn her to hell  
Give her a death drop, make sure she is not all there

I will give her a death drop, Make sure she is almost  
dead  
I will give her a death drop, make her fall on her head  
A death drop will kill her right then and there  
Mess with me and she'll have no hair!

Do what the f\*ck you want, that's what i would say  
Beat that bitch like she did to you, Bash her face 'till  
she bleeds  
Give her a death drop, and give her a scare

I will give her a death drop, Make sure she is almost  
dead  
I will give her a death drop, make her fall on her head  
A death drop will kill her right then and there  
Mess with me and she'll have no hair!

SLAP THAT BITCH, SLAP HER IN THE F\*CKING FACE  
GIVE HER A DEATH DROP, ASK HER IF IT'S FAIR...  
YEEEEEEEEEEEEAAAAAHHHHH!!!!!!

I will give her a death drop, Make sure she is almost  
dead  
I will give her a death drop, make her fall on her head  
A death drop will kill her right then and there  
Mess with me and she'll have no hair!
