Everything she served, charm,
Yes she was my charm!
Everything I had in my arm it was you and me,
Best life to live, my future bride be! That is be!

,all night, making the parents mad,
Living our lives with what we had,
With every minute fantasizing,
Hope this is a present, it was just exciting!
I was,
That,that you,all mine,
,,
And it hit me,in the flesh I can't see!

I started seeing lights and,
Thought it was me you'll be choosing for.
But now you,the feeling is strong for you to keep it,

Chorus:
We all cross the road, we finally crossed the road,
When you hear nothing else,
I need you back here, right here!
You're my passion, girl you're my charm!
My protection when I'm in your arms.
Now you're caught in gravity
It's taking over! Gravity it's taking over!
I know, know!
Gravity it's taking over!

Give it everything she,
Fuck her, feeling like fuck her,
But can't deny,one another!
Girl you had me up so high!
Can we all describe,
Now I'm falling off the,
I was ,,
Don't you miss it from the backdoor, mojo?
Where is my mojo?
I guess I need mojo,
I call reality a gravity.
..mojo!

,making the parents mad,
Living our lives with what we had,
With every minute fantasizing,
Hope this is a present, it was just exciting!
I was driving all night,
That,that you,all mine,
,.
My gravity got me to my knees.+

Chorus:
We all cross the road, we finally crossed the road,
When you hear nothing else,
I need you back here, right here!
You're my passion, girl you're my charm!
My protection when I'm in your arms.
Now you're caught in gravity
It's taking over! Gravity it's taking over!
I know, know!
Gravity it's taking over!

,you gotta dedicated to somebody,
Not just anybody, no!
,somebody. You know who you are?

I was,
Gravity!
Even though you,
Gravity!
But now I'm down.
Uhhhuuu
I'm freaked out.
Can't wait to come back home,
Gravity!
So we can get it on!
I already know now.
I'm freaked out!

Chorus:
We all cross the road, we finally crossed the road,
When you hear nothing else,
I need you back here, right here!
You're my passion, girl you're my charm!
My protection when I'm in your arms.
Now you're caught in gravity
It's taking over! Gravity it's taking over!
I know, know!
Gravity it's taking over!
