Let's begin
My favorite thing
We'll take a journey to a place within
So help me
To travel
Maybe the next wave will unravel

In my own skin
In my own heart
Wish you'd come in
But the place is blown apart
In my own skin
In my own heart
We have to rebuild
The hardest thing is just to start

Make me a better place
It's filled with a little love, yeah
Make me a better place
It's filled with a little love, yeah

Screamin'
Dreamin'
We've taken a trip to where our thoughts unload
Dreamin'
Believin'
The place we ended up
Is where the truth is told

In my own skin
In my own heart
Wish you'd come in
But the place is blown apart
In my own skin
In my own heart
We have to rebuild
The hardest thing is just to start

Make me a better place
It's filled with a little love, yeah
Make me a better place
It's filled with a little love, yeah

In my own skin
In my own heart
Wish you'd come in
But the place is blown apart
In my own skin
In my own heart
We have to rebuild
The hardest thing is just to start

Make me a better place
It's filled with a little love, yeah
Make me a better place
It's filled with a little love, yeah
