They get what they give ya
You get what you get
They take what they take on
No matter what you said
Or maybe
It's just apathy
Or maybe
We don't question it

So help us
In this mess
The fault of all of us
Yeah
Contagious
Complacent
Kiss goodbye
Generation of fear
And whatever

Life in the bullseye
They won't ignore
Life in the big lie
We won't absolve
Or maybe it's just lethargy
Or maybe
We should question it

So help us
In this mess
The fault of all of us
Yeah
Contagious
Complacent
Kiss goodbye
Generation of fear
And whatever
Generation of fear
And whatever
Yeah

Generation of fear
And whatever

Generation of fear
And whatever
