She's an angel in the hallway, in the stands, and at the mall.

I see her everywhere I go, she don't see me at all.

I serenade her cell phone but I never hit send.

I'd ask for some advice, but I don't have any friends.

I am the one on IM with the 37 names.

Tonight it's Captain Elvis. Lately he's been on his game.

I'm taking up karate and I'm saving for a tat.

'Cause anyone who's anyone knows girls are into that.

[Chorus:]

SHE'S SO COLD, FREEZING LIKE DISCO

OUTLOOK IS SO-SO, ROMEO

I'M BURNING, COVERED IN BLISTERS

WISH I COULD KISS HER, JULIET, JULIET

She's the picture of perfection, I'm a legend in my mind.

They say that only fools rush in. Well, I'm the first in line.

I'm working on my battle plan and wishing on a star

But I doubt that she'd go out with me 'cause I don't have a car

That I can drive around in circles.

Does she love me, does she not?

Either way it doesn't matter 'cause I'm giving it a shot.

It's not like if she shoots me down, it's headline breaking news

'Cause I may be a loser, but I don't have much to lose.

Wide-eyed, tongue-tied, drama like Shakespeare.

[Chorus x2]

I know who she is, and I know who I'm not

And I know what it takes and it's not what I got.

But if you start from the heart and you end with a smile,

Miracles happen every once and while.

She's so cold, freezing like disco,

Outlook is so-so.

[Chorus]

Wide-eyed, tongue-tied, drama like Shakespeare.
