Last call
Feelin' tall
I forget the last night
Please come in
Don't intend
This is good for me no more

I'm starting to believe it
The hardest thing's to feel it
Down in me
Honestly
The hardest thing's to leave it

These temple walls
Will not fall
While outside the world grows
They've come as I've withdrawn
Now they know I'm hollow

I'm starting to believe it
The hardest thing's to feel it
Down in me
Honestly
The hardest thing's to leave it

It's okay to come down
It's okay to come down
Oh
Oh
Oh

I'm starting to believe it
The hardest thing's to feel it
Down in me
Honestly
The hardest thing's to leave it
