everyone out there is a dreamer, so many rappers that

I was so attractive to make people jump through hoops
and back flips
some end up on the mattress and we man it aint nothin

get..... get money, get money,get money like

chorus

can I take my cape off , sit down take the weight off

cause I'm always on my grind everyday every night
tryin to figure out how to make it ,
if you gotta dream you better make sure you chase it
because I live mine, I'm working 9-5 out this grind

chorus

they'll catch on later, hit the close door button on the
elevator
