Got so much to do I don't have time  
But it's you who's on my mind  
I got to concentrate, but it's too late  
You're in every beat of my heart  
I need to separate the love from the hate...  
Trying to maintain, but I just can't..  
You're the reason why I smile

Chorus:

No drug can catch the feeling  
I get high when I think of you  
When I think of you, oh, oh  
No drug can catch the feeling  
I get high when I think of you  
When I think of you, oh, oh  
I get high when I think of you  
Oh yeah, oh yeah, oh yeah!

Got so much to do I don't have time  
But it's you who's on my mind  
I got to concentrate, but it's too late  
You're in every beat of my heart  
I need to separate the love from the hate...  
Trying to maintain, but I just can't..  
You're the reason why I smile

Chorus:

No drug can catch the feeling  
I get high when I think of you  
When I think of you, oh, oh  
No drug can catch the feeling  
I get high when I think of you  
When I think of you, oh, oh  
I get high when I think of you  
Oh yeah, oh yeah, oh yeah!
