Cherish two circular views of blue with a gray shade
So captivating more than you know

False perceptions that brought forth these questions of
truth, love and hope
Now that you're injuring I carry you with me, just please
hold on

Disappear and dissolve, a weakening wall will one day
fall
It's wise to sever our loss, I redefine pulse through your
iris

Love's not all lost but it's nailed to my cross
And crucified all that I've held on
To be awaiting, anticipating a touch such as yours

False affection, a spawn of neglecting a love, lust,
hoax
Please understand me that now where you're standing
Is closer then I'd hoped

Disappear and dissolve, a weakening wall will one day
fall
It's wise to sever our loss, I redefine pulse through your
Iris

Your iris, your iris

Disappear and dissolve, a weakening wall will one day
fall
It's wise to sever our loss, I redefine pulse through your
iris

Disappear and dissolve, a weakening wall will one day
fall
It's wise to sever our loss, I redefine pulse through your
iris
