you, doing that thing you do  
breaking my heart into a million pieces  
like you always do  
and you, don't mean to be cruel  
you never even knew about the heartache  
i've been going through  
well, I try and try to forget you girl 1  
but it 's just so hard to do  
every time you do that thing you do  
I know all the games you play  
and I'm gonna find a way to let you know that  
you'll be mine someday  
'cause we, could be happy, can't you see  
if you only let me be the one to hold you  
and keep you here with me  
well, I try and try to forget you girl  
but it just so hard to do  
every time you do that thing you do  
I don't ask a lot girl  
but I know one thing for sure  
It's the love I haven't got girl and i just can't take it

anymore

'cause we, could be happy can't you see

if you only let me be the one to hold you

and keep you here with me

'cause It hurts me so just to see you go

around it with someone new

and if i know you you're doing that thing,

every day you do that thing

I can't take you doing that thing you do
