You always wanted more than I could give you,
You always wanted more than I had,
You painted a bad picture and it don't look good,
You've been flying too high, you get shot from the sky.
You've got everything that I own,
My love and my heart,
You milk blood from the stone
I'd rather waste my time than waste myself,
Cause your'e a problem and I know the solution. .
.where's my gun.
You always wanted more than I could give you,
You always wanted more than I had,
Shooting at a target, I know I'll miss,
I thought you'd answer with a kiss.
Girl you're full of the devil,
You know how to make me cry,
Gimme, gimme, gimme is all I hear.
I'd rather waste my time than waste myself,
Cause you're a problem and I know the solution. . give
me my gun.
You always wanted more than I could give you,
You always wanted more than I had,

Oh baby, oh baby, oh baby baby, oh baby. . .give me my
gun.

You always wanted more than I could give you,

I'd rather waste time baby than waste myself,

I'd rather waste me baby than waste you baby.

Don't waste my time.

Oh baby, oh baby, oh baby baby, oh baby

What have I done?

You always wanted more than I could give you,

You always wanted more than I had,

You always wanted more than I could give you,

You always wanted more than I had
